Wisconsin Community Media Announces the Best of the Midwest Media Fest Winners and Honorees

Wisconsin Community Media (WCM) is announcing the winners of the 2020 Best of the Midwest Media Fest, which honors community television and low-power FM radio programs in a nine-state area. At the same time, WCM is announcing the recipients of its annual awards. Jim Walsh, former director of River Cities Community Access of Wisconsin Rapids, is the 2020 inductee into the WCM Hall of Fame and Wendy Baumann, Richard Baumann (deceased) and Plymouth Community Television are sharing the 2020 Friend of Access Award. The awards will be presented during the Best of the Midwest Media Fest Banquet and Show in Milwaukee on Thursday evening October 1. The celebration is open to the public.

Jim Walsh is being honored for his seventeen years of service to the Wisconsin Rapids community as the first full-time director of the city's public, education, and government (PEG) access television channel, now known as Wisconsin Rapids Community Media. Jim began his career in 1993 and was elected to the WCM Board of Directors for a term beginning in 2003, serving one year as president. Walsh will be the thirteenth community media professional to be inducted into the WCM Hall of Fame.

Wendy and Richard Baumann and Plymouth Community Television have, for the last six years, donated the digital program sharing application WCM's fifty PEG access media centers use to share video and radio programming with each other. Their generosity has supported the distribution of candidate forums, lectures, meetings, sports and entertainment programs state-wide.

The annual Best of the Midwest Media Fest honors top-scoring videos and LPFM radio programs created for play on public, education, and government (PEG) access channels, PEG websites, and LPFM radio stations in a nine-state area. Entries came from 24 Wisconsin-based centers and fourteen from out-of-state. This year, 41 programs scored high enough to earn an Excellence Award, 52 programs earned an Achievement Award, and 55 programs were recognized with a Merit Award. Also this year East Side Community Media of East Peoria, Illinois, is awarding a Significant Community Program Award to "2019 Candidate Forums: Race for City of East Peoria Commissioner." The fest also honors the "best" amateur and professional programs in the categories: Public Access Program, Government Access Program, Educational Access Program, Cultural/Ethnic Program, Program from a Small Station, Program Produced by a College Student, Program Produced by Youth, and LPFM Radio Program.

The list of award-winning programs follows.

The Best of the Midwest Media Fest Banquet and Show is being held at the Crowne Plaza Milwaukee Airport Hotel on Thursday evening, October 1. The event begins at 5:00 p.m. with a reception and the banquet and show follow at 6:30 p.m. Tickets are \$50 and may be purchased online at the Wisconsin Community Media website beginning in August. The event is part of an annual two-day conference sponsored by Wisconsin Community Media and the Alliance for Community Media – Midwest Region.
